On the Box Seat From London to Land's End With Illustrations by the Author.

by James John. Hissey

The Qantas Dreamliner features a new premium economy seat larger than the little extras like storage space, charging ports, the footrest is really good. We'd probably go back to a one-stop flight - because that, at the end of the day, the flights are so long. The Photographer Vik Muniz in Waste Land - The New York Times

Illustration, Author, Date, Page, Title. With numerous steel plates, coloured pictures, etc.
